

What a year it has been for our ministry! We held two fundraisers this quarter which helped our ministry tremendously. Due to COVID-19, we had to cancel our Annual Fundraising Banquet in April. In lieu of the banquet, we hosted a "Fundraising Challenge Week" during the week of September 21. This virtual event brought in \$60,915. Thank you to everyone who gave during this event.

We also hosted our Annual Golf Tournament on November 3. We have so much fun with this tournament every year. What a great day it is playing golf and fellowshiping with our donors, volunteers and those in the community! Thank you to those who participated in the tournament. We can't wait to play again with you next year.

The CLM Resale Store celebrated its 1 year anniversary on December 16th. What a huge answer to prayer this store has been for our ministry. God continues to use this ministry to pour out His love on the community!

In 2020, we brought on Mike and Lisa Horres as the Co-Managers for the Resale Store. They have been a blessing to our ministry and have done some amazing things with the store. Much of our success is owed to them!

We also brought on Samantha Sparkman as our Assistant Manager. Samantha is also the Manager of the Women's Transition House. She is a hard worker and a great asset to our team.

On December 3rd, we held a "Celebrate the Reason Christmas Open House Sale." Not only was it a day of record sales, it was a day of great fellowship! Thank you to those in our community who came out that day to support us.

We also wanted to say a HUGE thank you to all of our volunteers for everything you all do. This store wouldn't be possible without you. All of the countless hours put in by our volunteers is what makes this store such a huge success.

As you clean out your homes before Christmas, remember to drop off your donations at:

**506 E. Main Street
Moncks Corner, SC 29461**

2020 In Review

20

Men went through the ministry

10

Women went through the ministry

11

Graduations were held at different local churches to celebrate recovery

We are celebrating the lives that have been changed throughout 2020.

**These numbers reflect the residents/graduations for the remainder of the year.*

Men's Ministry Campus Update

The Board of Directors at Changed Lives Ministry are very committed to complete the construction of the new men's facility; however, COVID-19 has caused material prices to increase greatly. Due to this increase, a decision has been made to downsize the square footage.

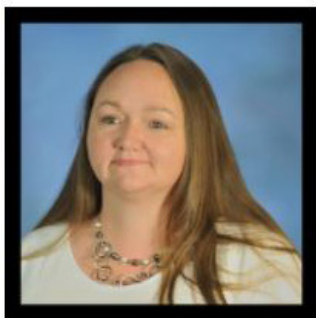

The facility will accommodate 15 residents and 3 staff members. The facility will have a meeting/devotional area that will accommodate seating for 24 people. We are in the phase of obtaining contractor quotes and permitting. We have received donations of fill dirt, roofing supplies and flooring. CLM has received approximately two-thirds of the estimated funds needed for the project and remains committed to building debt-free. *Please consider partnering with us as we welcome your tax-deductible donations.*

Women's Ministry New Location

On November 1, we held a ribbon cutting ceremony at our new Women's Ministry location in Moncks Corner, SC. This recently purchased and self-renovated house is the new location for the Women's Ministry. The previous location is now home to our Women's Transition House. As we open the doors to a transition house for the women, please continue to lift us up in your prayers. Thank you to everyone who gave to make this expansion possible for our ministry.
